For the Governor Morehead School for the Blind

A Celebration of the Governor Morehead School

Join us as the Governor Morehead Foundation celebrates the Governor Morehead School and its challenging 2020-2021 school year. Learn about how GMS is helping visually impaired students navigate the world around them and hear how the work of The Governor Morehead Foundation benefits them.

Your donation will help support the students with funding for materials and trips such as the \$50 headsets gifted to 2020 graduates, the \$250 Science Kits for use in class and the \$2,000 to send four students to Chapel Hill to compete in the Model United Nations. Take part in a donation drive with special prizes from The Raleigh Ringers, Videri Chocolates, and the Carolina Hurricanes!

Donate now or donate during the show! Then stay and enjoy light refreshments after the show. For more information go to the GMF website at www.gmfnc.org/events/celebration.
